

Can I have confidence in the quality of First Line Steering & Suspension?

Absolutely, as First Line is committed to safety and performance and works closely with its manufacturers to ensure the highest standards are met. As part of the quality control, products are tested to guarantee high standards are maintained during hostile operating environments.

As you would expect from a premium quality Steering & Suspension supplier, all First Line Steering & Suspension products are covered by a 2 year 24,000 mile warranty. Terms and conditions apply, see warranty statement for details.

Also available in the First Line Steering & Suspension range:

- Ball Joints
- Engine Mountings
- Idler Arms
- Pitman Arms / Panhard Rods
- Rack Ends / Kits
- Stabiliser Links
- Steering Gaiters
- Suspension Arms
- Suspension Bushes
- Suspension Kits
- Tie Rod Assemblies
- Tie Rod Ends
- Top Strut Mounts

First Line offers a comprehensive range of over 65 references that have been upgraded to HD. Below are just a selection of the most popular ones available.

The part number structure is the same, you simply need to add HD on the end to see if it is available.

Application	First Line Part No	HD Part No
Vauxhall Combo Mk II (C)	FDL6367	FDL6367HD
